

Wisconsin Partnership Program Releases RFP for \$1.5 Million in COVID-19 Grant Funding
March 31, 2020

The Wisconsin Partnership Program [released an RFP](#) Tuesday for a new \$1.5 million grant program to support projects that “aim to improve the health of the people of Wisconsin by lessening the impact of the COVID-19 pandemic.”

About \$750,000 will be available for programs led by Wisconsin-based nonprofits, tax exempt, 501(c)(3) organizations or tribal/government entities. Special emphasis will be given to projects that target vulnerable populations.

Grant applications are due April 15, 2020.
