

Governor Extends Wisconsin's Safer at Home Order

April 16, 2020

Governor Evers today directed Wisconsin Department of Health Services (DHS) Secretary-designee Andrea Palm to extend the Safer at Home order from April 24, 2020 to 8 a.m. Tuesday, May 26, 2020, or until a superseding order is issued. The order implements some new measures to ensure safety and support the progress we've made in containing COVID-19, but also allows certain activities to start up again.

The extension of the Safer at Home order includes a few changes. Some changes allow more businesses and activities to open back up, while other changes help make businesses safer for employees and customers.

The changes in this order go into effect on April 24, 2020. The order will remain in effect until 8 a.m. on May 26, 2020.
